

Tubular handles, aluminium with aluminium grip legs

Item description/product images

Description

Material:

Legs and grip aluminium profile EN AW-6060.
Connecting pins stainless steel.

Version:

Legs glass-bead blasted and semi-matt black anodised.
Grip brushed and natural colour anodised, black anodised or titanium colour powder-coated.

Note:

These tubular handles are characterised by robust construction and high load rating.
M8x16 hexagon head DIN 933 electro zinc-plated screws and DIN EN ISO 7089 electro zinc-plated washers are included.
