

# Nonius and zero reference, aluminium, self-adhesive or with holes

## Item description/product images

### Description

**Material:**  
Aluminium.

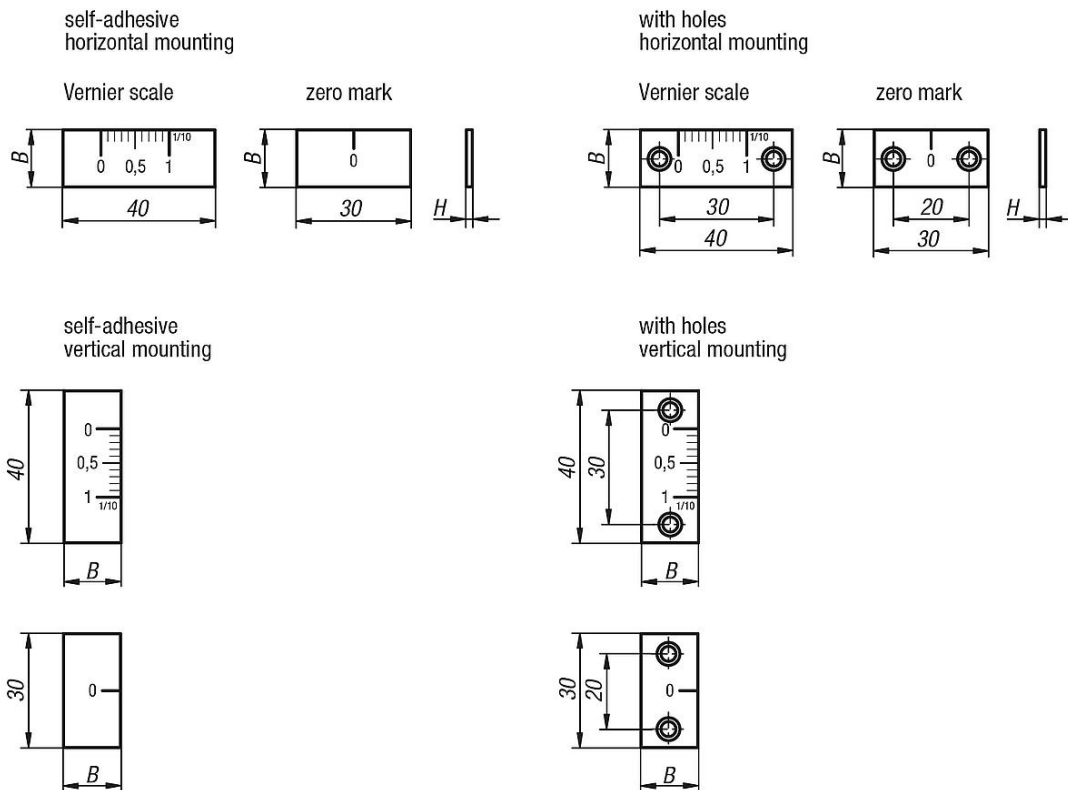

**Version:**  
Black anodised

**Note:**  
Rigid design aluminium linear scales with self-adhesive back or with screw holes.  
Cross section 15 x 2 mm.

Black anodised surface and high contrast graduations for legibility without shading.  
The graduations are deep lasered.

- On request:**
- Zero mark lower right or centre
  - Graduations upper right or both sides
  - Other lengths
