

Levelling feet plates extended die-cast zinc

Item description/product images

Description

Material:

Plate die-cast zinc.

Anti-slip plate thermoplastic elastomer.

Version:

Plate black powder-coated.

Note:

Levelling feet consist of a plate and a threaded spindle. Any plate can be combined with any threaded spindle.

The anti-slip plate absorbs vibrations and prevents the levelling foot slipping.

For matching threaded spindles see K0427.

Drawing reference:

Form C with screw-on hole, without anti-slip plate

Form D with screw-on hole, with anti-slip plate
