

Quarter-turn locks, stainless steel, lockable

Item description/product images

Description

Material:

Stainless steel 1.4401.

Version:

Bright.

Note:

Lockable quarter-turn lock for right or left mounting with 90° closing. The quarter-turn lock can be installed pre-assembled. This lockable quarter-turn lock is supplied with 2 keys. The key can be removed in both the closed and open position. The cylinder locks have a single-key system i.e. the same key works in all locks (lock type 1333).

Please order required tongue separately. Every tongue can be combined with this housing.

Accessory:

Tongue for stainless steel quarter-turn lock K1114.

Key for quarter-turn lock K1511.
