

## Eccentric clamp module Form D

### Item description/product images

### Description

**Material:**

Body steel.

Cam levers cast aluminium.

**Version:**

Body black oxidised.

T-nut electro zinc-plated.

Cam levers black powder coated.

**Note:**

The clamp module is inserted into the T-slot from above and secured using the cam lever, no other tools required.

**Advantages:**

The eccentric clamp modules can be used on conventional aluminium profile systems or on T-slot tables as stops, fasteners or clamps for components and workpieces.
