

Workpiece stabiliser set with case

Item description/product images

Description

Material:

Case plastic.

See corresponding product group for contents.

Version:

Black.

Note:

Objects sized between 355 and 980 mm can be set up using this stabiliser set.

It is basic equipment for supporting workpieces.

The individual parts are safely stored in a plastic case.

The length of the workpiece stabiliser is infinitely adjustable.

With the locking mechanism, the shaft can be securely locked against tension and compression.
